In re Application of :  
Sah, et al. : DECISION ON APPLICATION  
Application No. 10/661,984 : FOR PATENT TERM ADJUSTMENT  
Filed: September 12, 2003 :  
Atty. Dkt. No.: 13751-056001 :

This is a decision on the "PETITION FOR PATENT TERM ADJUSTMENT PURSUANT TO 37 CFR §1.705(b)" filed December 19, 2006.

The application for patent term adjustment ("PTA") under 37 CFR 1.705(b) is hereby **GRANTED**.

The correct Patent Term Adjustment ("PTA") at the time of the allowance is 467 days. The Office will adjust the PAIR screen to reflect that the Patent Term Adjustment (PTA) determination at the time of mailing of the instant letter reflects an adjustment of 467 days. A copy of the updated PAIR screen showing the correct determination is enclosed.

Applicants request that the Determination of Patent Term Adjustment be corrected from 418 days, as indicated on the Determination of Patent Term Adjustment mailed September 19, 2006, to an adjustment of 467 days. Applicants argue that the reduction of 79 days is improper because the supplemental response to the non-final Office action submitted July 7, 2006 was requested by the examiner, and, thus, not a supplemental response within the meaning of 37 CFR 1.704(c)(8). Applicants further argue that the supplemental response was submitted by USPS Express Mail in accordance with 37 CFR 1.10 on July 5, 2006, rather than July 7, 2006, as indicated in the record.

A review of the record reveals that a supplemental reply to the non-final Office action mailed February 22, 2006 was received on July 7, 2006. As indicated by applicants, the supplemental reply was deposited July 5, 2006 via USPS Express Mail in accordance with 37 CFR 1.10. Accordingly, the "date-in" on the USPS Express Mail label, or, July 5, 2006, is deemed the date of receipt of the reply.

Applicants argue that the supplemental reply was requested by the examiner of record, and, thus, is not a supplemental reply within the meaning of 37 CFR 1.704(c)(8).

While a review of the record does not reveal an examiner interview summary to this effect, applicants' arguments have been reviewed and found convincing. Accordingly, the submission of the supplemental reply on July 5, 2006 is not deemed a failure to engage in reasonable efforts to conclude prosecution, the reply having been expressly requested by the examiner.

Accordingly, at the time of allowance, the application is entitled to an adjustment of 467 days, as argued by applicants.

Receipt is hereby acknowledged of the required PTA application fee of \$200.00.

Applicants are further advised that the patent term adjustment indicated in the patent will include any additional patent term accrued pursuant to §§ 1.702(a)(4) and 1.702(b).

The application file is being forwarded to the Office of Patent Publications for issuance of a patent.

Telephone inquiries specific to this matter should be directed to Petitions Attorney Alesia M. Brown at (703) 305-0310.
